Proposal for Membership

For over a hundred years The Laymen's Club has served the Cathedral of Saint John the Divine, the largest cathedral in the world. The Laymen's Club is a non-profit fellowship of lay persons who come together in support of the Cathedral, both to increase its influence in the world and who hope ultimately to see to its completion. The Club offers lay women and men a way of working toward completion of the Pilgrims' Pavement while keeping faith in the vision of a completed cathedral. All funds raised are for the benefit of the Cathedral and its many programs.

Membership in The Laymen's Club is open to all women and men over the age of 21 who support the above purposes.
